Little fish,  
brave in the sea,  
swish your tail,  
swim home to me...

In this sweet sea lullaby, Papa is calling his little fish home at day's end. In an effort to persuade his little fish that it's bedtime, Papa devotes sleepy rhymes to many of their ocean friends, including green sea turtles, seahorses, dolphins, and gulls. Exquisite clay sculptures show the curious little fish spying upon each of these creatures as he makes his way home.

Gently rocking poetry and inviting scenery combine to offer a tender homecoming story that will swim in readers' heads long after the book has been closed for the night.
